

## **Leaving Certificate Applied 2022 - 2023**

### **St. Joseph's Secondary School, Tulla, Co. Clare**

Due to the nature of the Leaving Certificate Applied course, we do not prescribe a booklist at this time. Please note that a number of papers and resources will be required throughout the year and students and parents will be notified of these in advance. A small contribution towards the resources supplied by the school will be required also and this will be communicated to you at the start of the school year.
